INTRODUCTION

Passionate and detail-oriented Web Developer with a robust foundation in modern web technologies and a strong desire for continuous learning and growth. Recently completed the Website Project E-Document, which simplifies public document processing through a user-friendly interface, utilizing HTML, CSS, and JavaScript. Proficient in Figma for intuitive web design, I am recognized for my problem-solving skills, creative approach to user experience, and commitment to ongoing professional development. Eager to bring fresh skills and enthusiasm to a dynamic team, contributing to the development of impactful web solutions.

WORK EXPERIENCE

ADA Asia   October 2023 - July 2024
Graphics Designer

- Design stunning banners for a month-long campaign across platforms for Shopee, Lazada, and Tokopedia.
